Subject:	Regional Land Transport Plan submission
Anonymous Us below.	er just submitted the survey 'Draft Regional Land Transport Plan submission' with the responses
First name	
Graham	
Surname	
Wagener	
Email address	
Are you giving	feedback on behalf of an organisation?
No	
Select your loc	al city or district council:
Christchurch Ci	ity Council
Tell us how in	nportant each of these objectives is to you:

Maintenance	Neutral
Resilience	Important
Emissions	Important
Growth	Very important
Safety	Important
Freight	Important

Tell us how important each of these priorities is to you: Create a well-maintained network Manage risk of exposure to extreme events Important Support and develop connected public and active transport networks Very important Implementing safer systems (Road to Zero) Important Support and develop freight systems connecting to air, rail and sea Neutral Do you support investigating alternative approaches to fund transport system improvements? Yes Would you like to speak to your submission at a hearing in March?	Tell us how important each of these priorities is to you: Create a well-maintained network Manage risk of exposure to extreme events Important Support and develop connected public and active transport networks Very important Implementing safer systems (Road to Zero) Important Support and develop freight systems connecting to air, rail and sea Neutral Do you support investigating alternative approaches to fund transport system improvements? Yes Would you like to speak to your submission at a hearing in March?	Target 1: 40% reduction in deaths and serious injuries on Canterbury roads	by 2030
Create a well-maintained network Manage risk of exposure to extreme events Important Support and develop connected public and active transport networks Very important Implementing safer systems (Road to Zero) Important Support and develop freight systems connecting to air, rail and sea Neutral Do you support investigating alternative approaches to fund transport system improvements? Yes Would you like to speak to your submission at a hearing in March?	Create a well-maintained network Manage risk of exposure to extreme events Important Support and develop connected public and active transport networks Very important Implementing safer systems (Road to Zero) Important Support and develop freight systems connecting to air, rail and sea Neutral Do you support investigating alternative approaches to fund transport system improvements? Yes Would you like to speak to your submission at a hearing in March?	No Answer	
Create a well-maintained network Manage risk of exposure to extreme events Important Support and develop connected public and active transport networks Very important Implementing safer systems (Road to Zero) Important Support and develop freight systems connecting to air, rail and sea Neutral Do you support investigating alternative approaches to fund transport system improvements? Yes Would you like to speak to your submission at a hearing in March?	Create a well-maintained network Manage risk of exposure to extreme events Important Support and develop connected public and active transport networks Very important Implementing safer systems (Road to Zero) Important Support and develop freight systems connecting to air, rail and sea Neutral Do you support investigating alternative approaches to fund transport system improvements? Yes Would you like to speak to your submission at a hearing in March?		
Manage risk of exposure to extreme events Support and develop connected public and active transport networks Very important Implementing safer systems (Road to Zero) Important Support and develop freight systems connecting to air, rail and sea Neutral Do you support investigating alternative approaches to fund transport system improvements? Yes Would you like to speak to your submission at a hearing in March?	Manage risk of exposure to extreme events Support and develop connected public and active transport networks Very important Implementing safer systems (Road to Zero) Important Support and develop freight systems connecting to air, rail and sea Neutral Do you support investigating alternative approaches to fund transport system improvements? Yes Would you like to speak to your submission at a hearing in March?	Tell us how important each of these priorities is to you:	
Support and develop connected public and active transport networks Implementing safer systems (Road to Zero) Support and develop freight systems connecting to air, rail and sea Neutral Do you support investigating alternative approaches to fund transport system improvements? Yes Would you like to speak to your submission at a hearing in March?	Support and develop connected public and active transport networks Implementing safer systems (Road to Zero) Support and develop freight systems connecting to air, rail and sea Neutral Do you support investigating alternative approaches to fund transport system improvements? Yes Would you like to speak to your submission at a hearing in March?	Create a well-maintained network	Neutral
Implementing safer systems (Road to Zero) Support and develop freight systems connecting to air, rail and sea Neutral Do you support investigating alternative approaches to fund transport system improvements? Yes Would you like to speak to your submission at a hearing in March?	Implementing safer systems (Road to Zero) Support and develop freight systems connecting to air, rail and sea Neutral Do you support investigating alternative approaches to fund transport system improvements? Yes Would you like to speak to your submission at a hearing in March?	Manage risk of exposure to extreme events	Important
Support and develop freight systems connecting to air, rail and sea Neutral Do you support investigating alternative approaches to fund transport system improvements? Yes Would you like to speak to your submission at a hearing in March?	Support and develop freight systems connecting to air, rail and sea Neutral Do you support investigating alternative approaches to fund transport system improvements? Yes Would you like to speak to your submission at a hearing in March?	Support and develop connected public and active transport networks	Very important
Do you support investigating alternative approaches to fund transport system improvements? Yes Would you like to speak to your submission at a hearing in March?	Do you support investigating alternative approaches to fund transport system improvements? Yes Would you like to speak to your submission at a hearing in March?	Implementing safer systems (Road to Zero)	Important
Yes Would you like to speak to your submission at a hearing in March?	Yes Would you like to speak to your submission at a hearing in March?	Support and develop freight systems connecting to air, rail and sea	Neutral
