Subject: Regional Land Transport Plan submission

Anonymous User just submitted the survey 'Draft Regional Land Transport Plan submission' with the responses below.

First name

Yves

Surname

Denicourt

Email address

Are you giving feedback on behalf of an organisation?

Yes

Organisation name

Synlait Milk Limited

Select your local city or district council:

Selwyn District Council

Tell us how important each of these objectives is to you:

Maintenance Important

Resilience Very important

Emissions	Very important
Growth	Neutral
Safety	Very important
Freight	Very important

Tell us how important each of these priorities is to you:

Create a well-maintained network	Important
Manage risk of exposure to extreme events	Very important
Support and develop connected public and active transport networks	Important
Implementing safer systems (Road to Zero)	Important
Support and develop freight systems connecting to air, rail and sea	Very important

Are there specific actions you think should be taken to help achieve these priorities?

Engineer road fit for purpose i.e surface, markings, camber, load, bend radius, visibility, drainage, follow good engineering practices when building roads!

Do you support investigating alternative approaches to fund transport system improvements?

Yes

What sources of funding do you think could be used to pay for regionally significant improvements:

Toll and Private Public Partnership (PPP) Congestion charges for urban areas

Are these the right measures of success?

Yes, these are the right measures.

Are there other monitoring indicators or measures of success that you think should be included?

Transport impact on climate change not only on wellbeing

Would you like to speak to your submission at a hearing in March?

No
