Subject: Regional Land Transport Plan submission

Anonymous User just submitted the survey 'Draft Regional Land Transport Plan submission' with the responses below.

First name

Andrew

Surname

Livingstone

Email address

Are you giving feedback on behalf of an organisation?

No

Select your local city or district council:

Selwyn District Council

Tell us how important each of these objectives is to you:

Maintenance	Very important
Resilience	Important
Emissions	Important
Growth	Very important
Safety	Not very important
Freight	Not very important

Tell us how important each of these priorities is to you:

Create a well-maintained network	Very important
Manage risk of exposure to extreme events	Important
Support and develop connected public and active transport networks	Very important
Implementing safer systems (Road to Zero)	Not very important
Support and develop freight systems connecting to air, rail and sea	Important

Are there specific actions you think should be taken to help achieve these priorities?

- Create a dedicated rapid bus lane, light rail or heavy rail service to Rolleston and Rangiora/Woodend/Kaiapoi -
Introduce road wear/emissions charges for road freight on city roads to level the playing field for rail/sea freight -
Continue to create a safe, dedicated cycle network

Do you support investigating alternative approaches to fund transport system improvements?

Yes

What sources of funding do you think could be used to pay for regionally significant improvements:

I would support congestion charges and/or a fuel tax

Are these the right measures of success?

Yes, these are the right measures.

Would you like to speak to your submission at a hearing in March?

No
