Are you giving feedback on behalf of an organisation?

No

Select your local city or district council:

Waimakariri District Council

Tell us how important each of these objectives is to you:

Maintenance	Important
Resilience	Important
Emissions	Neutral
Growth	Important
Safety	Important
Freight	Neutral

If you think we should consider other objectives, please describe what they are and why they should be considered:

How about a bus in Oxford..we pay for and don't have even from Rangiora to oxford so it's timed for those to go to town from Rangiora..about time we had some help out this way.

Target 3: 100% increase in tonnage of freight moved by rail in Canterbury by 2034

No Answer

Tell us how important each of these priorities is to you:

Create a well-maintained network	Very important
Manage risk of exposure to extreme events	Important
Support and develop connected public and active transport networks	Very important
Implementing safer systems (Road to Zero)	Important
Support and develop freight systems connecting to air, rail and sea	Very important

Do you support investigating alternative approaches to fund transport system improvements?

Don't know

What sources of funding do you think could be used to pay for regionally significant improvements:

Tax..but we pay for transport and don't have any.

Are these the right measures of success?

Don't know

Do you have any other comments that you would like to make on the draft Plan?

More transport will get people off the roads.Trains and buses. At an affordable price. But for small towns to.

Would you like to speak to your submission at a hearing in March?

No
