Are you giving feedback on behalf of an organisation?

No

Select your local city or district council:

Ashburton District Council

Tell us how important each of these objectives is to you:

Maintenance	Not very important
Resilience	Neutral
Emissions	Very important
Growth	Important
Safety	Important
Freight	Neutral

If you think we should consider other objectives, please describe what they are and why they should be considered:

Increase in funding of CVTs that provide regional affordable public transport. Public transport options between Ashburton and Christchurch. There is no affordable and accessible public transport available at the moment. Investigate returning passenger trains as a transport option between cities.

Tell us how important each of these priorities is to you:

Create a well-maintained network	Neutral
Manage risk of exposure to extreme events	Neutral
Support and develop connected public and active transport networks	Very important
Implementing safer systems (Road to Zero)	Important
Support and develop freight systems connecting to air, rail and sea	Not very important

Do you support investigating alternative approaches to fund transport system improvements?

No

What sources of funding do you think could be used to pay for regionally significant improvements:

No Answer

Are these the right measures of success?
