The Hurunui District Council welcomes the inclusion of the Woodend SH1 bypass. On P.46, the Northern Link section refers to Pegasus and Ravenswood and should be increased to include improvements to Amberley. The assessment of such an upgrade needs to consider the impact on Amberley for the increased traffic volumes for the safety of pedestrians crossing at both Pukeko Junction and Carters Rd. This will be further impacted by the inevitable population growth with it being less travel time to CHC.

Would you like to speak to your submission at a hearing in March?

No
