Are you giving feedback on behalf of an organisation?

No

Select your local city or district council:

Christchurch City Council

Tell us how important each of these objectives is to you:

Maintenance	Important
Resilience	Very important
Emissions	Very important
Growth	Neutral
Safety	Very important
Freight	Neutral

Tell us how important each of these priorities is to you:

Create a well-maintained network	Important
Manage risk of exposure to extreme events	Very important
Support and develop connected public and active transport networks	Very important
Implementing safer systems (Road to Zero)	Important
Support and develop freight systems connecting to air, rail and sea	Important

Are there specific actions you think should be taken to help achieve these priorities?

Invest in resilience and safer transport networks prior to disasters and climate impacts, i.e. as soon as possible

Do you support investigating alternative approaches to fund transport system improvements?

Yes

What sources of funding do you think could be used to pay for regionally significant improvements:

Regional fuel taxes, motorway congestion charges, parking charges

Are these the right measures of success?

Don't know
