Subject: Regional Land Transport Plan submission

Anonymous User just submitted the survey 'Draft Regional Land Transport Plan submission' with the responses below.

First name

JENNY

Surname

EVERITT

Email address

Are you giving feedback on behalf of an organisation?

Yes

Organisation name

Twizel Tekapo Community Vehicle Trust

Select your local city or district council:

Mackenzie District Council

Tell us how important each of these objectives is to you:

Maintenance Very important

Resilience Very important

| | |
|------------------|----------------|
| Emissions | Neutral |
| Growth | Very important |
| Safety | Very important |
| Freight | Important |

Target 1: 40% reduction in deaths and serious injuries on Canterbury roads by 2030

Improved quality of road surfaces. Any repairs to be done to withstand the vehicle loading they are designed for. Speed restrictions around developed areas ,a notable area is from the High Country Salmon farm across the entrances to Twizel township and the Pukaki airfield. Mount Cook Turnoff also needs a restricted speed zone. Pull over lanes to all four entrances to the Twizel township.

Target 2: 41% reduction in greenhouse gas emissions from land transport in Canterbury by 2035

Freight system to assess new technology in transport. Distances between towns across the Mackenzie and access to recharging and refuelling to be increased

Target 3: 100% increase in tonnage of freight moved by rail in Canterbury by 2034

Not available to the Mackenzie Region.

Tell us how important each of these priorities is to you:

| | |
|--|----------------|
| Create a well-maintained network | Very important |
| Manage risk of exposure to extreme events | Very important |
| Support and develop connected public and active transport networks | Very important |
| Implementing safer systems (Road to Zero) | Very important |
| Support and develop freight systems connecting to air, rail and sea | Neutral |

Are there specific actions you think should be taken to help achieve these priorities?

Assessing and ongoing improvements to our road maintenance program. Prioritise high use roads.

Do you support investigating alternative approaches to fund transport system improvements?

Yes

What sources of funding do you think could be used to pay for regionally significant improvements:

Mackenzie region is a tourist destination, we should be capitalising on the Rental vehicle industry to fund improvements and Councils have initiated support for Freedom camping in the area, losing potential revenue from a overnight stays.

Are these the right measures of success?

Yes, these are the right measures.

Do you have any other comments that you would like to make on the draft Plan?

No Answer

Would you like to speak to your submission at a hearing in March?

No
